[Docket number AO-368-A32, AO-271-A37; DA-03-04B]

Dear USDA:

I am writing in **OPPOSITION** to the proposed regulation of producer-handlers.

I am very troubled that USDA would enact rules that increase the price of milk to the consumers and that limit competition in the marketplace.

I urge USDA to reconsider its recommendation and to act in a way that respects both consumers and the investment of time and money that producer-handlers have put into their family businesses.
